Introduction

Our mandatory introduction includes presentation of our routines and booking system and practical introduction to the boats, at sea as well.

Reusable booking

Bookings that can always be planned in the booking system and rebooked once they have been used.

Bonus booking

One extra booking per season. Usually used for the summer vacation booking.

Last minute booking

Bookings that can be made excluding the reusable bookings. Last minute booking is possible the 3 nearest days. Unlimited per year.

Family membership

Normal membership allows for one skipper. Family membership allows for more registered skippers. As family is considered people registered at same address, children, parents and siblings.

Excess Reduction

This reduces the insurance policy excess cost by 50% in case of an insurance claim damage.

Boat academy

We offer a complete course, including theoretical and practical elements, for inexperienced new members. This is not offered to Premium and Premium+ as these categories require previous experience.
